## RAILROAD DAYS 2014 A HOT SUCCESS

**AERIAL VIEW**, looking north toward Santa Fe Avenue, provides a panoramic perspective of Railroad Days 2014 at the Fullerton Train Station. Railroad Days 2014 on May 3 & 4 at the Fullerton Train Station was another great success. About 22,000 people turned out over the two days to celebrate the region's historic rail connections and modern train developments, with record-setting heat on Saturday afternoon.

Among the most popular attractions were Disneyland Railroad's Ernest S. Marsh Locomotive #4; two BNSF locomotives, including a brand new "green" engine; and three private cabooses that were all open for free tours.

Throngs also packed the 13,000-square-foot tent where kids of all ages were captivated by a dozen model train lay-

outs in various scales, as well as the nearby scenic garden railroad.

And the Food Court on Santa Fe Avenue, including the "dining car" tent, proved a favorite stop for many hungry or thirsty guests, especially for the breakfasts served by Boy Scout Troop 292.

Southern California Railway Plaza Association sends a huge thank you to our sponsors and the more than 50 participants for helping make it possible for us to present our 14th free community festival.

For more event photos, please see Page 4 & 5. Also check out [www.facebook.com/RailroadDaysinFullerton](http://www.facebook.com/RailroadDaysinFullerton).

**Climb aboard for a FALL EXCURSION to three train museums. Please see more info on flier insert.**

## **President's message**

We have done it again, pulled off another Railroad Days community weekend! My personal thank you to all of our volunteers (see Page 4). Without your support this free community event would not be possible.

A special thank you to the Railroad Days Organizing Committee: Jeff Schulze ,Chairman; Stu Proctor, Site Chairman; Donna Johnson, Communications; and Allison Benash, Sponsorships; Bob Freeman and Karen Sibrel. Their tireless effort leading up to and including the event is greatly appreciated.

I also want to thank Lauri Schulze for coordinating the volunteers. Other committee members that helped Jeff and me in the planning are Dick Hopping and Terry Galvin.

During setup Friday through wrap-up Sunday, Dave Sibrel worked magic with the generators and electrical system. Thanks, Dave.

And planning for next year's Railroad Days is already underway for May 2 & 3. So get rested up -- as you will be called upon to participate in 2015.

Here are upcoming events to mark on your calendar:

The first will be the **Hobo Stew Cook-off on August 9**, getting started about 2 p.m. at the Cabooses at Fullerton Depot. Peggy Benash is coordinating the get-together and will have more information and sign-up sheets available during our Quarterly Dinner Meeting on July 16.

The second is an **all-day excursion** (by bus) on **October 11** to regional rail-fan destinations and the Mission Inn. A flier is inserted in this Hot Rail; check it for details and please submit your RSVP and payment by **September 1**.

See you at the Quarterly Dinner at Sizzler's in Fullerton.

And **“Pigs is Pigs”** - Walt Disney Productions, 1954,

### **The SCRX Vision Is**

To be the premier destination for presenting the spirit of Southern California through its railroad heritage.

### **The SCRX Mission Is**

To provide, through our ideas, exhibitions, and programs, engaging educational and entertaining experiences to Southern California residents and visitors.

### **The SCRX Goals Are**

To fulfill the Vision and Mission by developing and presenting programs that capture the spirit of Southern California through its railroad heritage and by partnering with governmental and private entities to create an experiential destination.

with the voices of Gary Owens and Bill Thompson.

The feature, **“Silver Streak,”** is a *very rare* 1934 RKO Radio Pictures thriller which has a convoluted and improbable plot that is offset by the film being a comprehensive documentary of 1930s railroad action.

The movie is loosely based on the record-setting "dawn-to-dusk" run of the Pioneer Zephyr in May 1934. The original Zephyr trainset was used for the exterior shots in the film, while interior scenes were filmed on a soundstage in Hollywood. For the film, the "Burlington Route" nameplate on the train's nose was replaced with one that read "Silver Streak."

# 2014 Ridenour Award honors Richard Hopping, marking the 21<sup>st</sup> year of presentations

**By Dennis White, SCRPA Vice President / SCSRA Director**

Richard L. Hopping, O.D. was honored with the 2014 Ridenour Award for “*Leadership, Inspiration and Dedication*” at the joint SCSRA/SCRPA annual Dinner at the Depot in Fullerton on June 21.

**Richard L. Hopping**

Photo by Sue Kientz

Accepting the award in Dr. Hopping’s absence was SCRPA President, Harold Benash.

In his presentation remarks, SCRPA Director Stu Proctor noted that Dr. Hopping inspires us all, having worked tirelessly for more than 14 years as an FRPA/SCRPA Director, President and Vice President, constantly striving for excellence, demanding the highest ethical business practices and keeping

our “train” on the tracks.

He possesses extraordinary organizational skills, management skills and an ability to get things done.

In addition to his efforts with the board of directors, he is a valued member of the SCRPA Steering Committee, and recently completed a stint on the high-energy Railroad

Days 2014 Organizing Committee.

Dr. Hopping exemplifies the spirit of Clarence Ridenour and the award presented in his honor.

\* \* \*

June 21, 2014 marked the 21<sup>st</sup> year of the prestigious Clarence Ridenour Award, presented to an individual who epitomizes the spirit of leadership, inspiration and dedication to the values and goals of the SCSRA and — beginning with the merger of SCSRA and SCRPA membership in January of 2009 — from the combined efforts of both organizations.

The Clarence Ridenour Award is presented each June by the Southern California Scenic Railway Association, to honor one outstanding member of the SCSRA/SCRPA team. The presentation takes place during the Dinner at the Depot, held on the east platform in the shadows of the SCSRA’s two cabooses .

A perpetual plaque with each Ridenour Award winner’s name is mounted in SCSRA’s ATSF999110 way car at the Fullerton Depot.

The Railroad Operations Committee, a group of die-hard members committed to the conservation and display of the SCSRA cabooses, invites all SCSRA/SCRPA members and their friends to stop by and take a moment to review the names of those who have received this most prestigious award since its inception in 1993.

## Summer Dinner Meeting serves up fall excursion speaker

Our Quarterly Members Dinner Meeting on July 16 will feature a presentation by David B. Housh, the curator for the Pacific Railroad Museum & Library in San Dimas.

He will speak about the Pacific Railway Society’s museum in the San Dimas train depot and what we will see on our visit, as part of SCRPA’s October 11 bus excursion schedule.

Please see the flier inserted in this Hot Rail for more details about the all-day trip to three train museums in the San Gabriel Valley and San Bernardino to tour their collections. Co-Membership Chair Peggy Benash has coordinated the outing, and can accept RSVPs at the dinner.

Peggy will also have more information at the July dinner meeting about our Hobo Stew Cook-off on August 9 at the cabooses in the Fullerton Depot – including sign-up sheets for you to show off your talents in crock-pot cooking.

So plan to join us for the Quarterly Meeting, beginning with dinner at 6 p.m. Wednesday, July 16 at the Sizzler restaurant, 1401 N. Harbor Boulevard in Fullerton. Members and guests will again order and pay independently for their meals. No RSVPs are required.

Railroad Days 2014 photos by Bob Jensen, Julia Proctor, Karen Sibrel and Mike Vitale

Clockwise from top right: Crowds pack entrance gate on Saturday morning, 12 model layouts in huge tent stayed on the move, folks loved to ring the bell on BNSF locomotive tour, kid-size Buddy Young model train delighted moms and dads too, and George Engelage provided a special handcart ride for a young visitor.

## Summer committee reports — By Dennis White and Stu Proctor

### HISTORY & MODELING COMMITTEE

At Railroad Days 2014, our H&MC Dioramas spliced into the HO scale Orange County Modular Railroaders layout drew much interest. We also displayed the interactive Sunny Hills Ranch picture board in the Welcome Center.

The committee has begun a rejuvenation of the eight picture boards. They are 14 years old and have been viewed and touched by many, many people at 13 Railroad Days and more than 200 Train Shows in the Southland. So they are definitely showing the wear and tear such exposure and movement can bring.

### RAILROAD OPERATIONS COMMITTEE

Projects completed at the ROC June Work Party included:

- **ATSF 999110 & SP 4049:** Cleaned storage cabinets and

began organizing the storage areas.

- **ATSF 999110 & SP4049:** Extensively photographed exteriors to document location of stenciling, lube plates, etc. in preparation for stripping and repainting.

#### Work Orders on SP 4049 for July include:

- Install CO detector
- Fabricate and install new drip rails over bay windows
- Inspect for source of leak in B end and repair (Exterior).
- Repair window screen rails on bay window
- Replace Lexan and rubber seals in windows.
- Fabricate and install new brown canvas roll-up shades for each window
- Replace clad wood doors for A and B ends of car. Consider installing deadbolt locks in new all-metal doors.

# 2014 Railroad Safety Poster Contest winners honored

Fullerton School District trustees at their May board meeting acknowledged the students who created this year's top six Railroad Safety Poster Contest entries.

For the 16th year, the Southern California Railway Plaza Association presented the competition that focused on awareness of the need for safe behaviors around trains and the tracks cutting across Fullerton. The contest was open to more than 12,000 local students in kindergarten through the sixth grade.

Each elementary school was invited to submit its top six entries by grade division, and six citywide winners were chosen from those submissions. All of those winning posters were displayed at the Fullerton Public Library Children's Room in May.

The top six citywide winners were displayed at Railroad Days 2014. Those students each received Amtrak® passes for four for round-trip tickets to San Diego or Santa Barbara and cash prizes of \$100, \$75 or \$50, respectively, based on placement.

A special thank you goes to our 2014 sponsors, Amtrak

and Fullerton Rotary Club.

Here are the top six citywide winning students, by grade divisions, with their school and poster theme:

## LOWER GRADES:

**First place** - Chris Song - Fern Drive School - "Danger! Do Not Cross"

**Second place** - William Gim - Fisler School - "Wait a Little Before Crossing"

**Third place** - Ryan Novajoski- Golden Hill School - "Stop, Look, Listen"

**Honorable Mention** - Alex Morales-Maple School - "Do Not throw Things at a Train"

## UPPER GRADES:
